## BEST NYC HOMES FOR EVERY STAGE IN A RELATIONSHIP

Mar 5, 2018

**WHETHER YOU'RE CELEBRATING A FIRST HOME OR ENJOYING LIFE AS NEW PARENTS, THESE ARE THE BEST NEW YORK CITY HOMES FOR ANY ROMANTIC SITUATION.**

### EMPTY NESTING

Retirees living at the **d'Orsay** will appreciate the building's classy interior design by renowned French designer Jacques Garcia. Two-bedroom, two-bathroom Residence 5B, priced at \$3,175,000, has the perfect amount of space for couples wishing to host friends and family visiting from out of town or spend quality time with the grandchildren.

### WELCOMING LITTLE ONES

**Circa Central Park** is the perfect place for young families to call home. The Upper West Side residential development has an array of amenities conducive to inspiring the minds of youngsters. In addition to a children's playroom and tween room, Circa offers an environment that stimulates education, socialization and fun. Residence 3G, priced at \$4.5 million, boasts a spacious layout outfitted with 3-bedrooms and 3.5 bathrooms, the perfect setup for a family-friendly environment.

## THE SINGLE LIFE

The one bedroom apartment at **525W52** offers residents hotel-like amenities, making each day a new adventure for those living the single life. The team at 525W52 works to curate attention-grabbing experiences for residents and their guests including book club in the library, film series in the screening room, social events on the rooftop and day trips. For those newly living on their own, 525W52 offers opportunities to connect with neighborhoods.
